SOME CREATIONS ARE
HARD TO IMPROVE ON.

Please refer to your map inside the "Alton Towers New for 92" leaflet.

The stage has been built on the lake with the viewing area for concert ticket holders being the CONCERT ARENA, the grassy area marked 'LAKESIDE COFFEE SHOP'.

On the day of the concert this arena will be cleared of the features marked. In addition there will be no splash cats and no rowing on the main lake. For the ease of a smooth running concert there may be further operational changes to the normal attractions of Alton Towers. These will be well signposted on the day and we ask you to co-operate with the Alton Towers staff in this regard.

At 3.30pm the staff will begin clearing everyone from the rides. Non James ticket holders will be escorted from the park, concert ticket holders will be filtered through to the concert arena.

At 4.45pm the front gates will open to concert-only ticket holders. Also at 4.45pm rides will re-open in Katanga Canyon, Gloomy Wood and Thunder Valley. These will remain open for approximately 45 minutes. At 5.30pm the bars in the marquees on the concert arena will open serving beers and wines. Soft drinks and food are available all day from the restaurants and kiosks around the grounds.

The concert itself begins at 6pm and will end at 10.30pm. There are two exit routes to the car parks after the show. One through the main entrance through which you arrived and the other through Katanga Canyon by the 3D Cinema. Please listen to stewards' instructions on exit.

Obviously with everyone leaving at once the roads out of Alton Towers will become heavily congested. Please be patient and co-operate with the exit stewards.
