

Cut out the fantastic artwork opposite, go down to your local Kinko's, enlarge it several times, then with the aid of glue or sticky tape, apply it to your windshield and, 'Hey Presto' you have yourself an instant James car sticker.....

Goatlies  
Ball....

This issue of 'James on Sunday' is dedicated to Larry Gott.

Thank you Larry for all your years of valuable service & for the pleasure that you gave to the millions of James fans around the world.

Also a big thank you to 'A Sound Investment' for the distribution of 'James on Sunday'.

james on Sunday.

Attention James fans!!! If you are offended by swear words such as 'shit', 'fuck' & even 'twat' then please read no further.

Due to the cheap shock value of such words and my limited vocabulary this mini-zine is littered with them. Also in our attempts to be funny we have made libelous claims about various members of our favourite band.

If you are disgusted by such appalling behaviour then let me say, lighten up for fucks sake!! Tim Booth thinks Bill Hicks is funny, so do you really think that anything I could come up with could remotely offend him? Could a few swear words offend you any more than the above picture of Hanson?

The most popular theories as to why Jim never moves whilst on stage.

He's a lot older than he looks.

He has been forbidden to do so by the rest of the band 'cos he dances like a twat.

Jim takes a dump in his pants before every show, so he stands motionless to prevent any shit falling out of the bottom of his trouser legs.

---

The truth behind those new wacky stage outfits that James sport these days.

The old clothes that they wore onstage for years finally fell apart.

They sold their souls to satan.

Blue-light special at K-Mart.

The band lost a bet.

'Cos they think they actually look cool and will continue to wear them until we, the fans tell them how fucking stupid they really look.

---

What not to do at a James gig.

Bring flowers.

Wear a Smiths/Morrissey t-shirt.

Shout "Whoooooooo" during the ballads.

Try to get everyone to 'Sit Down'.

Leave after the support band.

Ask Saul, Mark, David or Adrian to autograph your copy of Village Fire.

Bump into me, 'cos I'll kick your fucking ass.

---

#### Secrets from the James tour bus.

Mark likes to sit up front on the road and pretend that he is driving.

Because there are only 6 bunks on the tour bus new members Adrian and Micheal have to share. Adrian sleeps naked and has a very hairy back (Yuck!!!).

Tim once went three weeks without changing his undies.

David has blocked up the tour bus toilet on six separate occasions.

Mark has a teddy bear, wears pajamas, sucks his thumb and wets the bed.

Saul likes to jack off in his bunk when he thinks the rest of the band are asleep.

Jim once blocked up the tour bus toilet but David got the blame anyway.

---

#### Billy's Dirt.

Tim's partner on 'Booth & the Bad Angel', Angelo Badalamenti is well known for his work with David Lynch and other movie makers. But did you know that Angelo is also the voice of Winnie the Pooh in the Disney cartoon?

Just listen to 'Life gets better' and dare to disagree....

Did you happen to see Saul's outfit at Woodstock II? What the fuck was he thinking? Ex-hooker Divine Brown recently recorded an old James song for her new album. It's true, look out for her version of 'How was it for Hugh' in record stores soon.....

The cover star of 'Whiplash' is Saul.

Morrissey was originally approached to do it, but when he backed out at the last minute citing exhaustion, Saul stepped into his stilletteos. For the record Saul wears a 34c sized cup.....

Like Tim, Mark was going to make a solo album during the bands hiatus, but his mum wouldn't let him so he got a paper round instead....

The real reason Saul hacked off his lovely flowing locks was he was sick of being mistaken for one of the Spice Girls.....

Jim was the only band member who didn't get a crappy haircut during the making of 'Whiplash' This of course, is due to the fact that he already had one.....

Why Andy Diagram was so popular  
with female James fans.

His ability to blow for hours.

His great taste in dresses.

His lovely little beaded dreads.

His incredible lip and tongue  
action.

'Cos chicks dig freaks.

---

Who would win if all the members  
of James had a big rumble.

David Baynton Power.

Why James don't change the set list anymore.

To deter bootleggers.

To deter sad, pathetic, loser fans from  
following them all over the country.

Tim's ashamed of some of his old lyrics.

'Cos changing the set list is a fucking  
drag man.

They're lazy fuckers.

Hey if Morrissey can do it then so can  
James.

Because Adrian only knows 15 songs.

---

Ten things that would help James to  
sell more records.

1: Make a video featuring women in  
various states of undress.

2: Have drummer lose an arm in car  
crash. (It worked for Def Leppard)

3: Pretend all of James are brothers  
and cover 'Mmm-Bop'

4: The band should come out of the  
closet on a popular television sitcom.

5: Shag the Spice Girls. (Everybody  
else has)

6: Let some huge corporation use one  
of your songs to promote themselves,  
it may piss off Neil Young & your fans  
but if it's good enough for Eric  
Clapton.....

7: Wear dresses on an album sleeve, oh  
sorry this one doesn't work.

8: Dump Jim and put Keanu Reeves on bass,  
'cos look what it has done for Dogstar.  
Has a shittier band ever packed a venue?

9: Jump on the East coast/West coast  
feud bandwagon and say you're down with  
Snoop. (The kids just dig him)

10: Have Tim meet an untimely and sticky  
end. If there was ever a surefire way to  
sell a shitload of records, then surely  
the singer kicking the bucket is it.

Everything you wanted to know about Wales but were afraid to ask.

A few readers have been pestering us lately wanting to know more about Wales, the birth-place of our favourite drummer David Baynton-Power. So we have come up with this short history of the said nation.

The Welsh first hit the headlines in 186 bc when they dropped the 'H' and stole their name from some poor defenceless sea mammal. Next they came up with their own language which sounds like a cross between somebody clearing their throat and an Ozzy Osbourne record being played backwards.

Wales can also claim some very famous people as natives, Tom Jones and Sir Anthony Hopkins are Welsh as is Alfred Hitchcock. In fact Hitchcock was so proud of his Welsh roots that he wrote and directed a famous movie about his hometown. The name of that movie was of course 'Dial 'M' for Merthyr'

It has been said that the only good Welshman is a dead Welshman. I have to agree with that sentiment, Just look at that Richard Burton, I love all of his movies.

Wales has also been dogged by nasty rumours concerning the sexual goings on of a certain farm animal and Welshmen. Well I'm not one to be taken in by such idle gossip but have you ever seen a map of Wales? Doesn't the shoreline look uncannily like the profile of a

sheep's head? Coincidence? I'll let you draw your own conclusions....

The 'next-Smiths' tag.

Mark's pigtail.

Saul's cycling shorts stuffed with a sock.

Gavin's beard.

Sitting down at James shows.

Tim's curls.

Tasteful album covers.

David's dog-shitting t-shirt.

1: I'm leg in Jen.

2: Homo bitt.

3: VD ass U lie.

4: Bawdy porn video tan.

5: He run K-mart.

Five things not to ask Tim if you get an interview for your James fanzine.

- 2: Do you hang out with Morrissey a lot?
- 3: So where did the name James come from?
- 4: Where did you learn to dance?
- 5: You're a bit of a twat aren't you?

#### Name Poll Results.

In our last issue we took a poll amongst our readers to find out who they thought had the girliest name in James.

The results in reverse order are as follows:

- |          |               |
|----------|---------------|
| 6: David | 3 votes.      |
| 5: Mark  | 4 votes.      |
| 4: Jim   | 9 votes.      |
| 3: Saul  | 128 votes.    |
| 2: Tim   | 329 votes.    |
| 1: Larry | 12,052 votes. |

\*As a result of his landslide victory, Larry was so upset that he quit the band. I actually voted for Saul, because due to a mix up I thought it was a vote for the girliest band member.

#### The reason Larry won't cut it as a Carpenter.

Ten things that just may tip you off to the fact that your favourite James band member could be gay.

- 1: He winks at you during the gig, and you're a guy.
- 2: He bleaches his hair.
- 3: He dresses like a twat.
- 4: There is an abundance of 14 year old Filipino boys backstage at James shows.

- 7: He just loves dance music.
- 8: Has been known to wear cycling shorts onstage.

- 10: The pink triangle sticker on his violin case.

\* Please note that the above piece is purely for laughs, we in no way mean to offend anyone or imply that a certain member of James is homosexual. (Not that there is anything wrong with being homosexual of course). Also any similarities to Saul are coincidental.
